Meet our new policy coordinator! Welcome to SAIL Alex!

Hi, my name is Alex Motteler, the new Policy Coordinator for SAIL. I have a bachelor's degree in Society, Ethics, and Human Behavior and completed the LEND fellowship program. I am a champion of disability rights and want to make a difference that helps further the disability movement. I enjoy spending time with family, getting exercise, and the outdoors. I am looking forward to helping shape and educate people on the many policies that need to be written. I enjoy following politics as I want to make sure advocates know what is in a particular piece of legislation.
